General remarks:

- For annual contract or winter flat rate, the demurrage is to be paid in advance. If payment is delayed, use of the berth will be charged for at the daily rate
- In the event of early termination of the contract, any amounts already paid shall not be reimbursed
- Where rent is at the daily rate, the berth should be vacated by 2 p.m. on the last day paid for
- The reservation of the berth is charged with 50% of the regular price according to the price list
- Ropes from boat to anchor chain and from boat to pier are considered part of the boat's equipment. Each boat owner is obliged to equip their boat with adequate ropes and to replace them when they wear out. Failure to do this will result in the marina equipping the boat with appropriate ropes at the owner's expense
- Respected guests are required to keep the area of the marina, where they may have work done, clean and tidy. If guest should leave a messy area the marina staff will clean the area at the charge of 500,00kn
- The length of the boat means the length of the boat stated in valid boat documents
- All clients are obliged to respect rules of marina and General Terms & Conditions
